

Open Competition for Research Project

The Guillain-Barré Syndrome Support Group (GBSSG) is committed to supporting research into the causes and treatment of GBS, CIDP and related conditions. It is holding an open completion for researchers for either a:

Project grant - award of £20,000 per annum for up to 3 years to allow an in depth investigation of an area of research .

Or

PhD studentship award of up to £20,000 per annum for 3 years to ensure a high calibre graduate can undertake training for a PhD in GBSSG-related research.

Applications are required by 31st May 2010. All applications will be peer-reviewed and assessed by our Scientific Review Panel. The award will be announced by 1st November 2010.

Full details and application forms may be obtained from the GBSSG office, admin@gbs.org.uk, tel. 01529 304615.
